INSTALLATION NOTES:

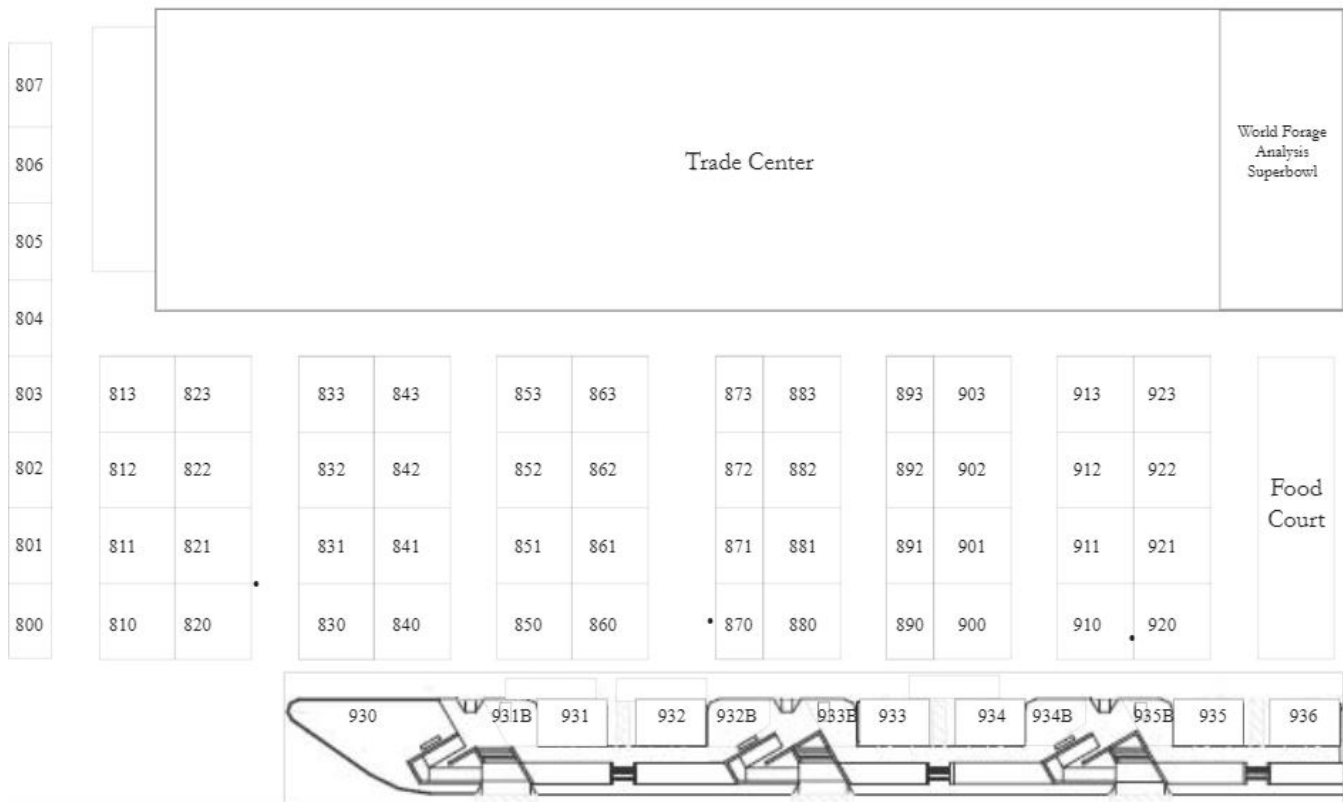

1. All commercial exhibitor tents to be installed September 22nd–24th.
2. It would be helpful to have a representative from your company on site the day of installation to ensure the placement.
3. *Tent measurements do not include space for weights and ropes to secure the tent.* Pole tents require 10' of additional space beyond the dimensions of the tent. Please make sure that you have enough room for the tent you are ordering.

REMOVAL NOTES:

All tents will be taken down on October 3rd, 2021; we ask that you promptly remove all items from under the tent the night prior. TENTS MUST BE EMPTY BY 8:00 A.M. SUNDAY MORNING.

Please keep in mind that we have only one day to remove all tents per our contract with World Dairy Expo. We appreciate your cooperation on this matter!
