

2017 WORLD DAIRY EXPO Preferred Customer Ticket Program

World Dairy Expo offers an outstanding program that allows exhibitors to design, create, print and distribute their own customized Expo admission tickets. Exhibitors are only charged for those tickets redeemed. Your ticket price starts under the regular admission rate, and the more tickets you have redeemed, the lower your rate.

Creative Ideas

- Create a postcard that will serve as the ticket. We'll give you the redeemed tickets back after the show, so you'll know exactly who redeemed the tickets.
- Take it a step farther and make a postcard a perforated mailer – half is an admission ticket (with mailing label) and half is a coupon to take to your booth for a premium item.
- Encourage your suppliers, vendors or dealers to distribute the tickets by running an in-house contest to see who can get the most customers to stop by the booth. Tickets can be individualized to indicate exactly who redeemed them.
- You can also have your suppliers or vendors pay for the program for you and put their logos on the tickets.
