Signage Regulations:

1. All signs must be approved by show management and the Alliant Energy Center (AEC). AEC reserves the right to refuse to hang any sign for any reason.
2. AEC reserves the right to determine the exact location of signage based on structural limitations.
3. All signs must be properly constructed with applicable frames, grommets, top/bottom pipe pockets, sign hanging hardware and conform to state and local building codes. Sign must arrive ready for hanging by scheduled set-up dates.
4. Signs will be hung a uniform distance from floor to the top of sign. Maximum height of peninsula booths is 16 feet. Maximum height of perimeter booths is 12 feet.
5. All signs must be installed and removed by approved personnel.
6. AEC is not liable for any accidents or damage caused by defective signage.
