## - Rules and Regulations -

### - Teams and Entries -

The teams shall consist of four members representing the agricultural college in which they are regularly enrolled. The contestant with the low overall score from each team will be designated as the alternate, but will be eligible for individual awards.

### - Eligibility of Contestants -

Each contestant must be a student in (1) a Land Grant University with an Agricultural College in the United States, or (2) an Agricultural College of corresponding rank in the Dominion of Canada, (3) an institution international or domestic offering a full degree in agriculture with major emphasis in dairy production in a Division of Dairy or Animal Sciences whose application has been approved by the American Dairy Science Association through the Dairy Cattle Judging Committee of its Production Division.

A contestant must be enrolled in a program of study normally requiring four or more academic years for a baccalaureate degree and must be officially recognized by their home institution as having achieved at least sophomore status.

A student is **ineligible** to be a Contestant if he/she has (1) competed in the National Intercollegiate Dairy Cattle Judging Contest, or (2) been official judge of dairy cattle at a fair or show, or (3) taught dairy judging in a college or secondary school, or (4) completed requirements for a college degree normally requiring at least four years, or (5) been an employee or paid consultant of a breed organization, breeding service or similar unit, for which his/her duties include evaluation of dairy cattle for type (excluding internships).

If the eligibility of any student is protested, such protest may be made in writing at the arena side the day of the contest before the contest begins. The protest must be accompanied by a check for \$25, which will be returned if the protest is sustained. In case the protest is not sustained, the \$25 shall be forfeited. Substitutions may be made during contest registration.

### **- Arrival -**

Contestants must not arrive on Expo grounds prior to the start of the offered team breakfast at 7:00 a.m. Monday (with one noted exception below). If not partaking in the offered team breakfast, once on grounds, please proceed directly to the Coliseum.

Please note, if a contestant is participating in the Post-Secondary Practical contest on Sunday afternoon they may be on the grounds for that contest but must go directly to the Coliseum (all events for that contest are in the Coliseum). After the contest contestants must exit the grounds. Additionally, any student that participates in the Post-Secondary Practical contest on Sunday afternoon will remain eligible for the Intercollegiate Contest at World Dairy Expo.

### **- Superintendent -**

The superintendent shall have complete charge of the contest. The superintendent shall see that all rules and regulations governing the contest are duly carried out and that the contest is conducted with fairness and justice to all concerned. The superintendent shall also decide all questions which may arise in connection with the interpretation of the rules.

### **- Traditional Contest Judging System -**

A committee of judges shall place all classes and hear and grade reasons. If the number of teams entered indicates that additional associate judges are necessary to expedite and make more efficient the hearing and grading of reasons, the superintendent shall have the authority to appoint such judges.

**TIME** - All contestants shall report to the superintendent in the Coliseum at 7:30 a.m., Monday, October 3, where they will receive full instructions in regard to the routing and details of the contest. Opportunity will be given for participants to ask questions.

### **- Method of Conduct -**

No member of any team nor their coach shall be allowed in the cattle barns nor have the privilege of inspecting cattle selected for the contest at World Dairy Expo prior to the contest.

**Inspection of Cattle** - Team members shall be divided into a sufficient number of groups to provide the best opportunity to view and judge the animals; one assistant superintendent shall have charge of each group. Contestants shall not at any time place their hands on any animal.

**Reasons** - Contestants shall give oral reasons, two minutes in length, one class in each breed. Reasons will be on a minimum of four classes of cows and not more than five classes of cows. The superintendent shall notify the contestants before the contest starts, the classes on which reasons will be required in order that contestants may take notes. Reasons will be given on the afternoon of the day of the contest.

**Materials** - The superintendent shall supply placing cards, and any other necessary form of conducting the contest. No contestant shall be allowed to take any book, notes or writing paper into the ring except materials as are furnished by the superintendent.

**Time Allowed** - Contestants will be allowed 15 minutes to place non-reasons classes. A total of 18 minutes will be given on oral reason classes.

### **- Classes -**

The judging shall consist of six classes of cows and six classes of heifers (yearlings or calves) in the Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red & White breeds. Fall Yearlings and Aged Cows will not be used.

The animals shall be held in a careful manner so that all Contestants may have an equal opportunity to examine them. The animals shall be lined up consecutively in single file and number 1 to 4 inclusive.

The final rank of each Contestant in each breed shall be determined by totaling his/her grades on placings and reasons for that breed. The individual rank for all breeds shall be determined by adding his/her grades for each of the seven breeds.

The team rankings for each breed shall be determined by totaling the score on placings and reasons for each of the three team members for that breed. In like manner, the team ranking for all breeds shall be determined by combining the grades of the three members of each of the seven breeds in contest. In case of a tie the individual or team ranking highest in reasons shall be awarded the prize in question. Additional tie breakers among individuals will include: (2) Individual Total Score; (3) Team Reasons; (4) Team Total.

### **- Determination of Ratings -**

Ratings shall be based upon a possible score of 50 points for each class place and 50 points for each set of reasons. Since there are 12 classes to be placed and six sets of reasons given, there will be a possible total score of 900 points per Contestant.

### **- National Dairy Shrine Awards Banquet -**

The banquet will take place on Thursday, October 6, in the Exhibition Hall, Alliant Energy Center.
