

28th International Post-Secondary Dairy Cattle Judging Contest

Presented by Lely

Monday, October 3, 2016
Entries Due: September 12

Listed below are the top individual and top team past winners of the International Post-Secondary Dairy Cattle Judging Contest.

Traditional Contest

Top Individual

1989 - Sue Northrup, SUNY Cobleskill, New York	2003 - Sarah Van Exel, Modesto Junior College, California
1990 - Greg Silva, Modesto Junior College, California	2004 - Cole Bettencourt, Modesto Junior College, California
1991 - Allen Van Gorder, Morrisville State College, New York	2005 - Chris Smithgall, Morrisville State College, New York
1992 - Rebecca Dumont, SUNY Cobleskill, New York	2006 - Amanda Durant, Morrisville State College, New York
1993 - Derek Wolf, Morrisville State College, New York	2007 - Caitlyn Morehart, Modesto Junior College, California
1994 - Ted Dechow, Morrisville State College, New York	2008 - Christopher Curtiss, SUNY-Cobleskill #2, New York
1995 - Mike Lortie, Michigan State University, Michigan	2009 - Matt Henkes, Northeast Iowa Community College, Iowa
1996 - Daniel Martin, College of Sequoias, California	2010 - Thomas McCarthy, Morrisville State College, New York
1997 - Tara Taylor, Morrisville State College, New York	2011 - Rocco Cunningham, Modesto Junior College, California
1998 - Jana McClelland, Santa Rosa Junior College, California	2012 - Austen Schmidt, UW-Madison FISC, Wisconsin
1999 - Rudi DeWinkle, Modesto Junior College, California	2013 - Jessica Telgmann, Kaskaskia College, Illinois
2000 - Kristi Grindly, Highland Community College, Illinois	2014 - Evan Castrogiovanni, Morrisville State College, New York
2001 - Darrin Hill, Morrisville State College, New York	2015 - Tanner Topp, Ohio State University Ag Tech, Ohio
2002 - Joseph Silva, Modesto Junior College, California	

Top Team

1989 - Modesto Junior College, California	2003 - Modesto Junior College, California
1990 - Ohio State University Ag Tech Institute, Ohio	2004 - Modesto Junior College, California
1991 - Morrisville State College, New York	2005 - Northeast Iowa Community College, Iowa
1992 - Morrisville State College, New York	2006 - Kaskaskia College, Illinois
1993 - Modesto Junior College, California	2007 - Modesto Junior College, California
1994 - Morrisville State College, New York	2008 - SUNY - Cobleskill #2, New York
1995 - Modesto Junior College, California	2009 - Ohio State University Ag Tech Institute, Ohio
1996 - Morrisville State College, New York	2010 - SUNY - Cobleskill #1, New York
1997 - Morrisville State College, New York	2011 - Modesto Junior College, California
1998 - Santa Rosa Junior College, California	2012 - SUNY-Cobleskill, New York
1999 - Modesto Junior College, California	2013 - Kaskaskia College, Illinois
2000 - Modesto Junior College, California	2014 - Morrisville State College "A", New York
2001 - Morrisville State College, New York	2015 - Ohio State University Ag Tech, Ohio
2002 - Morrisville State College, New York	

Practical Contest

Top Team

1996 - Ohio State University Ag Tech Institute, Ohio	2006 - Ohio State University Ag Tech Institute, Ohio
1997 - Morrisville State College, New York	2007 - Ohio State University Ag Tech Institute, Ohio
1998 - Michigan State University, Michigan	2008 - SUNY - Cobleskill #1, New York
1999 - UM Crookston, Minnesota	2009 - SUNY - Cobleskill #2, New York
2000 - Modesto Junior College, California	2010 - Northeast Iowa Community College
2001 - Michigan State University, Michigan	2011 - Lakeshore Technical College #1, Wisconsin
2002 - University of Wisconsin - Madison, Farm and Industry Short Course, Wisconsin	2012 - NE Iowa Community College, Iowa
2003 - Alfred State College, New York	2013 - Modesto Junior College, California
2004 - Michigan State University, Michigan	2014 - University of Wisconsin - Platteville, Wisconsin
2005 - University of Guelph, Ontario, Canada	2015 - Lakeshore Technical College #1, Wisconsin

Superintendent..... Jerome Meyer, East Central Select Sires, Viroqua, WI

Assistant Superintendent Maureen DeBruin, Holstein Association USA, Inc., Jefferson, WI

- Assistant Superintendents -

Dave Badula, Cassville, WI; Bob Behnke, Brooklyn, WI; Jacob Brey, Sturgeon Bay, WI; Lauren Brey, Sturgeon Bay, WI; Cindy Cooper, Sun Prairie, WI; Cheryl Ehrke, Fort Atkinson, WI; Danyel Hosto, Madison, WI; Mark Lundy, Fort Atkinson, WI; Jane Marquart, Madison, WI; Ron Martin, Fort Atkinson, WI; Chrissy Meyer, Viroqua, WI; Melanie Miller, Madison, WI; and Brenda Murphy, Poynette, WI.

**International Post-Secondary
Dairy Cattle Judging Contest
Sunday, October 2 & Monday, October 3, 2016**

- Schedule of Events -

**Saturday,
October 1**

6 p.m. - Welcome Dinner

All teams are invited to a free dinner at the Madison Marriott West in Middleton to meet other teams.

**Sunday,
October 2
Alliant Energy
Center-Madison, WI**

4 p.m. - Registration for Practical Contest - East Lobby of the Coliseum

4:30 p.m. - Practical Contest begins with linear demonstration and contest

5:15 p.m. - Commercial and Registered Heifer Evaluation - Coliseum

6:00 p.m. - Mating Class - Coliseum

6:30 p.m. - Practical Contest & Reasons - Coliseum

After Reasons - Buffet Dinner - Clarion Hotel

**Monday,
October 3
Alliant Energy
Center-Madison, WI**

7:30 p.m. - Joint Intercollegiate & Post-Secondary Awards Banquet - Lake Rooms, Exhibition Hall, Expo grounds
(Five complimentary tickets per team)

Register online at www.worlddairyexpo/pages/Online-Contest-Registration.php

- Registration Fees -

The contest is divided into a Practical Contest and the Traditional Judging Contest. The Traditional Contest entry fee is \$100 per team or \$25 per individual. The Practical Contest entry fee is \$100 per team or \$25 per individual. Entry deadline is September 12. Entry fees for teams entering the Practical and/or Traditional Contests after the September 12 deadline will be \$125.

If not previously registered in the Traditional Contest, participation in the Practical Contest is \$25 per person, which includes an awards banquet ticket. Separate awards will be given in each contest. When entering the Practical Contest, please respond if your team will be attending the complimentary light meal following the conclusion of the Practical Contest on Sunday evening.

One Coaches Meeting ticket is complimentary. Additional Coaches Meeting tickets are available for \$20. Five Awards Banquet tickets are complimentary for each team. Additional tickets for the banquet will be \$20 per person.

World Dairy Expo does not charge admission the day of the contest. However, admission will be charged starting October 4. Tickets are available at a reduced rate of \$8 per person per day until September 12. After that time, the full price of \$10 per person per day will need to be paid to enter the grounds.

World Dairy Expo requires all contestants, coaches and leaders to abide by all rules and regulations set forth for its Post-Secondary Contest. By submitting registration payment, you agree that you, and the persons you represent herewith, will abide by each of the rules stipulated within the contest rules and regulations. Contestants will be held responsible for their actions. The use of outside aide is forbidden and includes, but not limited to, the use of electronic communications, internet sources, phone calls or other communication tools. Contestants, coaches and leaders are not permitted in or near the dairy cattle barns on the grounds prior to the contest except as announced by the Superintendent.

- Team and Entries -

The teams shall consist of three/four members representing the agricultural college, technical college, short course or farm training program in which they are regularly enrolled. In each breed, the top three team members' scores will be used in determining awards. Also, overall awards will be based on the top three team members' scores. A school may enter different team members for the Practical and Traditional Contest.

- Contestants and Eligibility -

Eligibility is limited to students enrolled in current year post-secondary institutions not accredited by ADSA. Included are students in farm training classes, short courses, junior colleges, two-year technical colleges and four-year non-Land Grant colleges. Non-U.S. teams are encouraged to participate. Each school is limited to entering two teams. Practical contest is open to Intercollegiate contestants.

A contestant is ineligible if the contestant has ever done any of the following: (1) competed in the World Dairy Expo International Post-Secondary Dairy Cattle Judging Contest, (2) competed in the National Intercollegiate Dairy Cattle Judging Contest, (3) been official judge of dairy cattle at a fair or show, (4) taught dairy judging in college or secondary school, or (5) been an employee or paid consultant of a breed organization, breeding service or similar unit, for which his/her duties include evaluation of dairy cattle for type (excluding internships).

Participation in this contest will in no way affect a contestant's eligibility in so far as future participation in the National Intercollegiate Dairy Cattle Judging Contest should the contestant later transfer to a four-year agricultural college. A contestant may participate in the Post-Secondary Contest practical contest one year and retain eligibility for the traditional contest another year. The reverse is also true. Practical contest eligibility includes students from ADSA approved schools.

If the eligibility of any contestant is protested, such protest must be made in writing and presented to the contest Superintendent(s) at the day of the contest before the contest begins. The protest must be accompanied by a check for \$25, which will be returned if the protest is sustained. In case the protest is not sustained, the \$25 shall be forfeited. Substitutions may be made during contest registration. Additional students may be entered as individuals.

- Arrival -

Contestants must not arrive on Expo grounds prior to the start of the offered team breakfast at 7:00 a.m. Monday (with one noted exception below). If not partaking in the offered team breakfast, once on grounds, please proceed to the Coliseum.

Please note, if a contestant is participating in the Post-Secondary Practical contest on Sunday afternoon they may be on the grounds for that contest but must go directly to the Coliseum (all events for that contest are in the Coliseum). After the contest, contestants must exit the grounds. Additionally, any student that participates in the Post-Secondary contest on Sunday afternoon will remain eligible for the Intercollegiate Contest at World Dairy Expo.

- Superintendent -

The superintendent(s) shall have complete charge of the contest. The superintendent(s) shall see that all rules and regulations governing the contest are duly carried out and that the contest is conducted with fairness and justice to all concerned. The superintendent(s) shall also decide all questions which may arise in connection with the interpretation of the rules.

- Judging System -

A committee of judges shall place all classes and hear and grade reasons. If the number of teams entered indicates that additional associate judges are necessary to expedite and make more efficient the hearing and grading of reasons, the superintendent(s) shall have the authority to appoint such judges.

- Practical Contest -

All contestants participating in the Practical Contest shall report to the Superintendent(s) at 4 p.m., Sunday, October 2, where they will receive full instructions in regard to the routing and details of the contest. Opportunity will be given for participants to ask questions. Contest begins at 4:30 p.m. There will be four parts to this contest. Each phase of the contest will be allocated 25 minutes.

1. The first part of the contest will be the Linear Contest. Although the contest has separate team and individual awards, team scores will be tabulated and included in the practical contest. The results and awards will be given at the time of the awards banquet. Each contestant will be given four animals to score for ten linear traits. The scores closest to the "official" scores will receive the highest ranking. High scores are those contestants that are (+/-) 5 points or less, while those lowest scores are (+/-) 10 points or more. The Linear Contest total is 200. Team scores will be calculated the same as the traditional contest. Please make yourself familiar with the scantron sheet (last page of this brochure) in advance of the contest.
2. The second part of the contest will consist of up to six non-ID animals. A situation scenario will be provided prior to the contest describing conditions under which animals are going into. Contestants will judge as a team with no individual scores but all members of a team, must participate. Each team will act as a buying group. Placings will be made using the enclosed score card for non-ID heifers. They will be asked a number of questions (not yes or no types). Questions will not have equal values and points may be given for certain incorrect answers much as breaks are assigned in traditional judging classes. Contestants should be prepared to answer questions concerning heifer weights, heifer values, heifer body conditions and to identify discriminating factors to be evaluated on the heifer scoreboard. Detailed questions on heifer rearing will be asked. Each team may receive a maximum of 50 points for correct placings and answers to the provided questions. This will NOT be a reasons class this year.
3. The third part of the practical contest will consist of six registered Holstein heifers with provided pedigrees. A situation scenario will be provided specifying conditions that the contestants (acting as buyers) are putting the animals in. Again contestants will judge as a team with no individual scores but all members of a team, must participate. Animals will be placed 1-6 using the enclosed score card for Registered Heifers. Contestants will also answer questions about the animals in the class. Again, yes or no questions will be avoided and questions will be scored in the same manner as the non-ID heifer class. Each team may receive a maximum of 100 points for correct placings and each team may receive a maximum of 50 points for the question portion, and 50 points for the team reason portion. Teams should be aware that situation scenarios may change dramatically from year to year.
Practical Reasons: Each team will be required to give a set of reasons to justify their placings on the registered heifer class. The reasons will be no longer than 5 minutes and will be given to a two judge panel. Each team will have 20 minutes to prepare for their reasons. Each team member must participate in the reasons discussion for maximum score. The reasons should have an opening statement, both genetic & phenotypic animal comparisons, and a closing statement. Reasons will have a maximum 50 points.
4. The final part of the contest will consist of team members being presented either a cow or a heifer and require them to mate the animal. This is a team event and will be at the conclusion of the Registered Heifer segment. Each team will be provided with a scenario to mate the provided female and have to choose from a list of five provided sires. The teams will have a full pedigree on the female and also a full PTA and pedigree description of each bull. Teams will answer five written questions and be required to pick the best choice to mate the heifer/cow. Also, as a team they will give reasons to justify their mating of the animal to the sire of their choice. These reasons should relate to the scenario that was provided and include both phenotypic and genotypic explanations. Reasons will be a maximum of two minutes in length and at least two team members must present. All team members must be prepared to answer questions after their reasons. Each team may receive a maximum of 100 points. 50 points for correct answers to the provided questions and 50 points for team reasons.

- Dairy Heifer Economic Score Card -

MAJOR TRAIT DESCRIPTION	NON-ID	REG.
1. PRODUCTION PERFORMANCE	30%	50%
A. Genomic values, genetic indexes for Net Merit, Protein, Milk, Fat, PL, and SCS are all considered. The higher these genetic values, the more desirable the ranking.	15%	27%
B. Predicted Producing Abilities or Herdmate Deviations for milk, protein and fat. These reflect production relative to management in the herd. The higher the better.	10%	15%
C. The actual production records with emphasis on total production per Day of life. Emphasis is put on milk, protein, and fat.	5%	5%
D. Strength of pedigree for production and type for generations.	0%	3%
2. CONFORMATION.	55%	35%
A. FORM	22%	14%
<i>Attractive individuality and harmonious blending of parts with the exception of feet and legs, is evaluated. Listed in priority order, the descriptions of the traits to be considered are as follows:</i>		
Rump – long and wide throughout with pin bones slightly lower than hip bones.		
Thurls - wide apart and centrally placed between hip bones and pin bones.		
Tailhead - set slightly above and neatly between pin bones. Tail free from coarseness. The vulva is nearly vertical.		
Back – Straight and strong; loin broad, strong and nearly level; slight arch preferred.		
Front End – adequate constitution with front legs straight, wide apart and squarely placed. Shoulder blades and elbows set firmly against the chest wall. The crops should have adequate fullness.		
Barrel – long, deep and wide; depth and spring of rib increasing toward the rear with a deep flank.		
Chest – deep and wide floor with well sprung fore ribs blending into the shoulders.		
Breed Characteristics – exhibits overall style and balance; clean cut head, broad muzzle with large, open nostrils, and strong jaw.		
B. FEET AND LEGS	11%	7%
<i>Feet and rear legs are evaluated. Evidence of mobility is given major consideration. Listed in priority order, the descriptions of the traits to be considered are as follows:</i>		
Feet – Steep angle and deep heel with short, well-rounded, closed toes.		
Rear Legs-		
• Rear View – straight, wide part with feet squarely placed.		
• Side View – moderate set (angle) to the hock.		
• Hocks – cleanly molded, free from coarseness and puffiness with adequate flexibility.		
• Bone – flat, clean with adequate substance.		
• Pasterns – short, strong with some flexibility.		
<i>Slightly more emphasis is placed on Feet than on Rear legs when evaluating this breakdown.</i>		
C. DAIRY CHARACTER	11%	7%
<i>Evidence of potential milking ability is evaluated. Major consideration should be given to general openness and angularity with out weakness, flatness of bone, and freedom from coarseness. Listed in priority order, The descriptions of the traits to be considered are as follows:</i>		
Ribs – Wide apart. Rib bones wide, flat, deep and slated toward the rear.		
Thighs – Lean, incurving to flat and wide apart from the rear.		
Withers – Sharp with chine prominent.		
Neck – Long, lean and blending smoothly into the shoulders; clean cut throat, dewlap, and brisket.		
Skin – Thin, loose and pliable.		
<i>Allowance should be given for winter and fall yearlings to carry more condition as they approach calving.</i>		

D. STATURE 11% 7%

Growth, vigor, early maturity and good health are evaluated. Major consideration should be given to height at the point of wither. The description of the trait to be considered is as follows:

Stature – Height including length in the leg bones with a long bone pattern throughout the body structure; height at withers and hips should be relatively proportionate.

- | | | |
|---|------------|------------|
| 3. MANAGEMENT TRAITS | 15% | 15% |
| A. Age is a consideration. Generally older heifers are more economical than younger heifers. Younger cows are more economical than older cows. | 3% | 3% |
| B. Reproductive status is considered. Generally pregnant animals have more economic value. Calving interval can also be utilized to look at the history of reproduction. Animals not pregnant for a long time can receive severe discrimination. | 5% | 5% |
| C. Temperament or other observed traits can affect the ranking | 1% | 1% |
| D. Health history and/or vaccination are considered. If animals have severe problems or are known to carry disease severe discrimination should be given. | 6% | 6% |

- Practical Contest Determination of Ratings -

Maximum team score is 600. For the linear contest, the average of the top three individuals will be compiled for a team score. This will be added to the totals for each of the two heifer classes for a total overall team score for this contest. In case of a tie, the team placing highest on the combined total of the heifer classes will be the winner. If the teams are still tied, the team with the highest score in the linear contest will be the winner. If there is still a tie, it will be left a tie.

-Traditional Contest -

Twelve Classes of four individuals each shall be judged. These classes of heifers and cows shall be selected from the Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red & White. The animals shall be handled in a careful manner so that all contestants may have an equal opportunity to examine them. The animals shall be lined up consecutively in single file and numbered 1 to 4 inclusively.

- Method of Conduct -

No member of any team, nor their coach, shall be allowed in the cattle barns, nor have the privilege of inspecting cattle selected for the contest at World Dairy Expo prior to the contest. No coach will be allowed on the floor of the Coliseum during the contest or while reasons are being given. Violation may result in team disqualification. Contestants are not permitted to talk to one another during the entire contest, including reasons. Doing so will result in disqualification.

Inspection of Cattle - Team members shall be divided into sufficient number of groups to provide the best opportunity to view and judge the animals; one assistant Superintendent shall have charge of each group. Contestants shall not at any time place their hands on any animal.

Reasons - Contestants shall give oral reasons, two minutes in length, for **four** classes in the traditional contest. The Superintendent shall notify the Contestants before the contest starts, the classes for which reasons will be required in order that contestants may take notes. Reasons will be given on the afternoon of the day of the contest. Contestants are allotted 15 minutes between the completion of the contest and the first set of reasons. Contestants will have at least 15 minutes in-between each set of reasons.

Materials - The superintendent(s) shall supply placing cards, and any other necessary forms of conducting the contest. No Contestant will be allowed to take any book, notes or writing paper into the ring except materials as are furnished by the superintendent(s).

Time Allowed - Contestant will be allowed 18 minutes for each reason and 15 minutes for each non-reason class. Contestants will be notified three minutes prior to the end of each class.

- Traditional Contest Determination of Ratings -

Ratings shall be based upon a possible score of 50 points for each class placed and 50 points for each set of reasons. Since there are 12 classes to be placed and four sets of reasons given, there will be a possible total score of 800 points per contestant.

The final rank of each contestant in each breed shall be determined by totaling his/her scores on placings and reasons for that breed. The individual rank for all breeds shall be determined by adding his/her scores for each of the breeds.

The team rankings for each breed shall be determined by totaling the scores on placings and reasons for each of the three highest scoring team members of that breed. In like manner, the team ranking for all breeds shall be determined by combining the scores of the three highest scoring members of each of the breeds in the contest.

In case of a tie the individual or team ranking highest in reasons shall be awarded the prize in question.

- Pre-Contest Practice Sessions and Tours -

Information regarding pre-contest practice sessions and tours will be sent with entry confirmation. The sessions will start on Saturday, October 1 continuing through Sunday, October 2. Please take time to send thank you's to these tour hosts. Without their cooperation these tours would not be available. Lunch will be provided on Sunday, October 2, by *Hoard's Dairyman* and Nasco. Meal reservations are required. Please complete the reservation line on the entry form.

- Practice Session Tour Hosts -

We greatly appreciate the following farms who have agreed to open their doors to host Practice Session stops for this year. Please send thank you's to:

Cozy Nook Farm: S11 W30780 Summit Avenue, Waukesha, WI 53188
Mapleton Valley Farm: W359 N8470 Brown Street, Oconomowoc, WI 53066
Crescentmead: W2444 Evergreen Rd, Ixonia, WI 53036
Hoard's Guernsey Farm: N2856 Hwy 89, Fort Atkinson, WI 53538
Ocean View Genetics: 4274 Weier Lane, Deerfield, WI 53531

- Bio-Security -

1. **All contest members are required to bring enough plastic boots for each farm.**
2. Avoid farms, sale barns, stockyards, animal laboratories, packinghouses, zoos, fairs or other animal facilities for five days prior to leaving a foreign country.
3. Avoid contact with livestock or wildlife for five days after arrival in the United States from international travel.
4. Any individual who has been on a farm or in contact with an animal infected with foot and mouth disease should have no contact with wild or domestic animals for ten days before visiting the practice team herd facilities. Individuals must then thoroughly shower, shampoo, and change into new clothing before attending the practice sessions.

- Lodging -

Special rates for judging contest participants are also available at the Magnuson Grand Hotel, located at the intersection of I-90 and Hwy 12 & 18, about 5 miles from the World Dairy Expo grounds. Be sure to tell them you are with the Post-Secondary Judging Contest to get this special rate. Please contact the hotel directly for additional details, their phone number is: (608) 224-1500.

World Dairy Expo also has a block of rooms reserved at the Madison Marriott West for all youth judging team participants, coaches and parents. Rooms are just \$147 a night for single or double rooms. Please call the Marriott directly, by August 30, at (888)745-2032 and specify that you are with the WDE Youth Group.

- Admission -

No admission or parking will be charged on Monday, October 3 since World Dairy Expo is not officially open. Beginning Tuesday, October 4 tickets will be \$10 per person, per day, with parking included. A season event pass is available for \$30. Reduced rate daily passes are \$8 each if purchased with contest registration, and by September 12.

- Registration -

Registration and payment for the contest is online! Registration can be found on the World Dairy Expo website under the [Contests page](#). If you have questions, please call the World Dairy Expo office at (608) 224-6455.
