

DATCP-hosted Activities at World Dairy Expo 2023

International Networking Room
Kegonsa Room, World Dairy Expo
9 a.m.–12 p.m., Wednesday, October 4, 2023

Funded by the [Wisconsin Initiative for Agricultural Exports](#)

The Wisconsin Department of Agriculture, Trade and Consumer Protection's (DATCP) International Agribusiness Center (IABC) will host and coordinate an International Networking Room at World Dairy Expo on Wednesday, October 4. We invite you and your international guests to join us!

This space can be utilized to:

- Meet with potential buyers and sellers to discuss business and export opportunities.
- Learn more about Wisconsin's vibrant dairy and agriculture industries.
- Connect with the IABC team to learn more about their programs and services.

Space within the room is on a first come, first served basis and registration is required. Refreshments will be provided. Cost is free.

Exporters' Workshop

Kegonsa Room
1 p.m. - 4 p.m., Wednesday, October 4, 2023

Registration: <https://forms.office.com/g/N1L0e39XaH>

The United States is recognized around the world for the ability to produce large volumes of high-quality dairy, beef, swine, sheep, goats, horses, and other livestock. The superior genetics of these animals are available to the entire world through members and partners of the Livestock Exporters Association of the USA and Wisconsin livestock and genetic suppliers. The Wisconsin Department of Agriculture, Trade & Consumer Protection (DATCP) will collaborate with the Livestock Exporters Association of the USA to present the latest export protocols, export certificate requirements, export financing, insurance, and export order fulfillment process with speakers from USDA APHIS, Export-Import Bank of the U.S., Wisconsin Veterinary Diagnostic Laboratory, and members of Livestock Exporters Association.

New or experienced exporters, LEA members, industry affiliates, seedstock producers and breeders, those interested in having their farms used as quarantine facilities, veterinarians, and freight providers wanting to become more familiar with the export process will benefit from this in-depth discussion and information sharing.

Refreshments will be provided. Cost is free. Registration is required.

International Buyers' Workshop and Roundtable

Mendota Room 4
9 a.m. - 12 p.m., Thursday, October 5, 2023

Registration: <https://forms.office.com/g/zrHaGJYus4>

In partnership with Livestock Exporters Association of the USA, the Wisconsin Department of Agriculture, Trade and Consumer Protection's International Agribusiness Center (IABC) is excited to welcome international dairy farmers, processors, suppliers, academics, and government representatives to the World Dairy Expo for a round table discussion. This will be a platform to share knowledge, challenges, trends, and opportunities on how the industry

can grow and nourish the world with quality and safe products and sustainable farming. Come to connect, communicate, and collaborate to grow together!

Refreshments will be provided. Cost is free. Registration is required.
