RAILBIRD JUDGING CONTEST

See how your placings match up to the official judges in Expo's new Railbird Judging Contest!

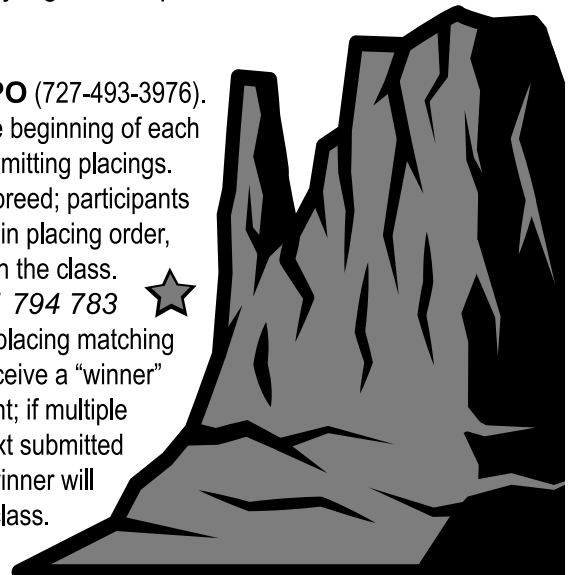

To enter, text "**RAILBIRD**" to **727-4-WDEXPO** (727-493-3976).

After signing up, you will receive an alert at the beginning of each Railbird class and given instructions for submitting placings.

There will be one milking class selected per breed; participants will submit their top four backtag numbers, in placing order, before the Judge makes his first pull in the class.

★ *Text example: Railbird 798 781 794 783* ★

The first electronic time-stamped accurate placing matching the final placing of the official judge will receive a "winner" text message. One entry per participant; if multiple submissions are made, the last text submitted will be considered the entry. One winner will be awarded for each Railbird class.

TOUGH TAGS FOR TENDER EARS

Z2 No-Tear-Tag®

ComfortEar® 840

There are plenty of tough ear tags on the market today. But only genuine Z Tags and Temple Tags combine rugged durability with advanced design features that make it easy to tag young calves without tearing tender young ears. So this calving season, invest in the trusted tags that treat your calves with TLC – Z Tags and Temple Tags.

LEGEND.

They say with age comes wisdom.

Well, when the business is passed down over 5 generations, wisdom is something you're born into. But you're responsible for adding value beyond that inheritance. It's your progressive thinking that leads to the next generation of our product.

Creating "Legendary" is a modern day practice.

MADE IN
AMERICA
SINCE 1921

Remember when “MADE IN AMERICA” meant something? It still does

Always ask for Y-TEX® All-American® ear tags for American quality at its very best. Our All-American® tags feature an advanced polyurethane formulation for greater flexibility and durability. A long, ribbed neck to prevent breakage and allow for greater tag visibility. A flexible male button and proven Snap-Lok® collar to prevent snagging and tag-button separation. And a longer shaft to enhance air circulation around the incision site for faster healing.

So when it's time to tag your cattle, ask your retailer for the brand made with pride right here in the USA. To learn more, visit www.ytex.com or call (888) 600-YTEX.

Why Showcase Selections?

Showcase Selections is so much more than just creating pretty cows for the show ring. It's about creating memories and it starts with a kid and a calf. For many of us in the dairy industry, some of our earliest memories are about that first show calf. The excitement, the work, the dedication, the anticipation; these are memories that last a lifetime. We have the Showcase Selections program because win, lose or draw, we hope to be part of that experience for the next kid and their calf.

Visit www.selectsires.com or talk to your Select Sires representative for a complete listing of our Showcase Selections sires.
