Shield Her From The Cold.

Arctic Shield +Plus™

BouMatic's Arctic Shield +Plus is a premium three-way protection skin conditioning package in a post dip that helps prevent frostbite. The high level of conditioning helps shield teat skin against cracking and chapping in cold harsh conditions while providing germicidal protection to help prevent mastitis.

Protect and insulate your herd when the temperature dramatically drops. Maintains its effectiveness even in subzero °F conditions.

Effective but gentle, Arctic Shield +Plus is necessary for the upcoming cold weather season. Learn more at BouMatic.com/ArcticShield.
