Class 742 Best Three Females

All must be bred by the exhibitor and at least one animal must be owned (solely or in partnership) by the exhibitor. Breeder is identified as listed on the registration paper. Where animals are bred by different members of a family, and where the herd is one unit, they are considered as bred by one breeder. When animals are bred in partnership, each partnership is considered a unique breeder. Each exhibitor is limited to one entry. Entries in the group classes must be entered and shown in their individual classes.
