2026 WORLD
AYRSHIRE
EVENT SALE

OWN A PIECE OF AYRSHIRE HISTORY!

In 2026, the U.S. Ayrshire Breeders' Association unveiled its first updated model cow in more than 35 years. Representing decades of genetic advancement, the new model reflects today's ideal Ayrshire while honoring the functionality, longevity and dairy character that have defined the breed for generations.

Now, you have the opportunity to bring home a piece of this historic milestone with LOT 1. This custom 32" × 48" print is produced on premium birch wood and beautifully finished in an oak frame.

Don't miss your chance to own and display a lasting symbol of Ayrshire progress. The print will be displayed in the ABA Booth throughout Expo and the association will assist with shipping or delivery.

SEMEN LOTS

All semen is sold on a per unit/straw basis times the number of units offered in the lot. Shipping arrangements & pickup, including all expenses, are the buyer's responsibility.
