MILKING SHORTHORN CATTLE LOG

SEPTEMBER 27 - 28, 2026

Built for Farmers, Backed by Tradition

Since 1944, Milk Check® has been part of the daily rhythm on farms big and small, helping generations of farmers keep milk clean, herds healthy, and operations running smoothly.

From our teat wipes to our milk filters, every product is designed to deliver fast flow, clear milk, and reliable results.

For over 80 years, we've been proud to stand alongside the agricultural community with products that protect milk quality and make every milking easier.

Here's to clean milk and strong traditions, today and tomorrow.

We've been part of the World Dairy Expo 25 years and counting, come say hello!!
