

59th WORLD DAIRY EXPO - MADISON, WI, USA

HOLSTEIN CATTLE LOG

OCTOBER 1 - 2, 2026

Built for Farmers, Backed by Tradition

Since 1944, Milk Check® has been part of the daily rhythm on farms big and small, helping generations of farmers keep milk clean, herds healthy, and operations running smoothly.

From our teat wipes to our milk filters, every product is designed to deliver fast flow, clear milk, and reliable results.

For over 80 years, we've been proud to stand alongside the agricultural community with products that protect milk quality and make every milking easier.

Here's to clean milk and strong traditions, today and tomorrow.

We've been part of the World Dairy Expo 25 years and counting, come say hello!!

360° Service & Support

Working with Semex on our embryo program has been fantastic. It's been an opportunity to engage in reproduction technologies that are relatively new to the commercial industry and it's gone very well for us. We see strong conception rates in our lactating herd and it goes well in the maternity pen.

You can have confidence in working with Semex. The support and training will be there. Your concerns will be addressed by the support they surround you with. ”

Class 712 Junior Best Three Females

Fall Yearling Heifer (not in milk) and under. All must be bred by exhibitor and at least one animal must be owned (solely or in partnership) by the exhibitor. Breeder is identified as listed on the registration paper. Where animals are bred by different members of a family, and where the herd is one unit, they are considered as bred by one breeder. When animals are bred in partnership, each partnership is considered a unique breeder. Each exhibitor is limited to one entry. Entries in the group classes must be entered and shown in their individual classes.

Premiums: \$75, 60, 45

Class 742 Best Three Females

All must be bred by the exhibitor and at least one animal must be owned (solely or in partnership) by the exhibitor. Breeder is identified as listed on the registration paper. Where animals are bred by different members of a family, and where the herd is one unit, they are considered as bred by one breeder. When animals are bred in partnership, each partnership is considered a unique breeder. Each exhibitor is limited to one entry. Entries in the group classes must be entered and shown in their individual classes.
